### 3M Novec Contact Cleaner

**REPLACEMENT:**

#### Pow-R-Wash CZ

Pow-R-Wash™ CZ electronics contact cleaner is a highly effective nonflammable solvent cleaner for electrical and electronic contacts and assemblies.

ES7300 12 oz aerosol

#### Pow-R-Wash VZ

Pow-R-Wash™ VZ economical aggressive electronic contact cleaner is a highly effective nonflammable solvent cleaner for electrical and electronic contacts and assemblies.

ES6300 12 oz aerosol

### 3M Novec Contact Cleaner Plus

**REPLACEMENT:**

#### Pow-R-Wash VZ

Pow-R-Wash™ VZ economical aggressive electronic contact cleaner is a highly effective nonflammable solvent cleaner for electrical and electronic contacts and assemblies.

ES6300 12 oz aerosol

#### Pow-R-Wash CZ

Pow-R-Wash™ CZ electronics contact cleaner is a highly effective nonflammable solvent cleaner for electrical and electronic contacts and assemblies.

ES7300 12 oz aerosol

### 3M Novec Electronic Degreaser

**REPLACEMENT:**

#### Max-Kleen Tri-V

Max-Kleen™ Tri-V removes all types of soils from electronic circuits and relays. Tri-V nPB replacement chemistry is an innovative chemistry that does not contain any n-propyl bromide, TCE, any hazardous air pollutants or ozone depleting compounds. It is the ideal solvent for most electronic applications. This extra-strength cleaner evaporates quickly without leaving a residue behind.

VW2279 20 oz aerosol

### 3M Novec Flux Remover

**REPLACEMENT:**

#### Flux-Off Delta

Flux-Off® Delta™ Flux Remover is an extra strength nonflammable solvent that removes heavy and encrusted flux deposits. Penetrates residues quickly to remove all types of flux, production contaminants, dust, and oil, then evaporates quickly leaving no residues.

DEL1692 16 oz aerosol
